***Eu nasci no Rio de Janeiro, Brasil .***

Desde criança convivi com música e arte. Minha mãe era cantora e meu pai um apaixonado por música. Eu sonhava em dançar. Crescendo descobri o desenho e também o interesse pela pintura. Com meu marido e filhos nos mudamos para a França, onde pude continuar a desenvolver a minha técnica. Atualmente vivemos em Jerusalém, Israel e me dedico a essa experiência única de criadora de imagens.

***silene sarah bohadana***

I was born in Rio de Janeiro, Brazil. My childhood was surrounded by music and art. My mother was a singer and my father a lover of music. I dreamt of becoming a dancer but while growing up, I began drawing and got interested in painting. My husband and I moved to France with our children, where I kept developing and exploring this medium. I am now living in Jerusalem, where I continue my journey and passion for painting.

**Nessa série dos troncos/galhos, eu expresso a minha profunda admiração pela natureza, na sua complexidade infinita, perfeição, beleza. Construo um ritmo, uma dança. Uma paisagem de linhas em movimento. Emaranhados de veias pulsando com vida. A técnica é acrílica sobre gaze, em transparência e sobreposição.**

**Through the series Trunks /Branches, I express my deepest admiration for nature in its infinite complexity, perfection and beauty. A landscape of lines in movement, a dance, a rhythm... Entangled veins pulsing with life. The technique is acrylic on gauze, in transparency and superimposition.**
